Oh Jerusalem yeah, oh Jerusalem, oh Jerusalem, oh  
Jerusalem...

Realizing that there's no place else to go  
And there's nobody I know who can help me  
Text book solutions are so improbable  
Cuz everybody else is just as empty  
Naked as the day that I was born, I tried to hide  
...behind education and philosophy  
Hopeless explanation to describe a situation  
I can't see because the world's on top of me  
Oh wretched man that I am, who will deliver me  
From the body of this death  
Freeing me from dust, and the superficial trust  
Of an enemy that seeks to take my breath  
Failing to connect, cuz I'm morally defect  
By reason of the God inside my head  
Causing me to see, only what pertains to me  
Believing I'm alive when I'm still dead  
Limited to earth, unable to find out my worth  
Cuz I... can't see past my own vanity  
If I'm not included, then I just have to remove it  
From my mind because it has to be in sanity  
Oh wretched man that I am, who will deliver me  
From the body of this death  
Can I even factor, that I've only been an actor  
In this staged interpretation of this day  
Focused on the shadow, with my back turned to the  
light  
Too intelligent to see it's me in the way  
What a paradox, having God trapped in a box  
All this time professing to be spiritual  
Naturally pretending, that I'm actually defending  
God (?) don't need material

Oh Jerusalem, wash thy heart from wickedness  
That thou may be saved from thy deception  
How long, shall thy face those lies within thee  
Oh Jerusalem, keeping thee from perfection

Submit to truth, leave the deception of thy youth

So we could walk in the council of authority  
Forget the proof, our generation so aloof  
Only follow in the steps of the majority  
Trust in the Lord, with all thy heart  
And lay not to thine, oh an understanding in all thy  
ways  
Acknowledge Him, and He shall correct our paths  
Be (?) you can follow him  
We judge and condemn, just as ignorant as them  
Who religion tells us that we should ignore  
Perpetrating we're in covenant with Him  
Exposed by the very things that we adore  
We grin and shake hands, then lay ambush for the man  
Who has a different point of view than us  
Infuriated cuz he doesn't understand  
Bringing up those things we don't want to discuss  
Why still do evil, we don't know how to do good  
Walking on in darkness running from the light, ey  
Led to believe, because we live in neighborhoods  
Telling us what's going on will be alright  
Oh so repressed, so convinced that I was blessed  
When I played with my game of Monopoly  
Oh to suggest, that my life is still a mess  
Who reveal the pride I'm hiding is what's stopping me

Oh Jerusalem, wash thy heart from wickedness  
That thou may be saved from thy deception  
How long, shall thy face those lies within thee  
Oh Jerusalem keeping them from perfection

Abide in me and I in you, as the branch cannot bare  
...fruit of itself except in the vine  
I am the vine, ye are the branches, He's in live in me  
And I in him, the same bring forth much fruit  
Without me, you can do nothing  
Oh Jerusalem, you're traditions have deceived you  
I've chosen you, you haven't chosen me  
Do whatsoever, you asking my name he may give to  
you  
But in vain they call my name  
teaching doctrines just the same  
Justified among themselves  
But God know with the heart, what man esteemed as  
smart  
Is an abomination to Emmanuel  
Just repent, turn from selfish motivation  
So iniquity will not cause your demise  
Make you a new heart and a new spirit  
...for why would he die  
Oh Jerusalem, please tell me why  
I have no pleasure in the death of him to die

Says the Lord God where forth turn yourselves and live  
It's not the talkers, but the walkers and his word  
Are the only ones the Father will forgive

Oh Jerusalem, wash thy heart from wickedness  
That thou may be saved from thy deception  
How long, shall thy face those lies within thee  
Oh Jerusalem, providing you no protection

Oh Jerusalem...
