Losers always whine about their best
Winners go home and fuuuuuu...
Fuck the prom queen

Fuck the prom queen

Beer
Get myself a beer
Beer

Fuck that shit!

And by the way Marihuana is the bomb

Oooohhh
Hard drugs is the bomb

Hard drugs is the bomb

The bomb

Hard drugs is the bomb

Fuck the prom queen (3X)
Fuck that shit!
By the way, suck my motherfucking ASS!

Want a goddamn concerted effort to come out of a record that isn't a fucking up-tempo record every time I do a goddamn death dedication! It's the last goddamn time, I want SOMEBODY to use his fuckin' brain, to not come out of a goddamn record that is, uh, that, that's up-tempo and I gotta talk about a fuckin' dog dying!
