Yeah this the build up

I hear you talking motherfucker write the check
And if you in the house then protect your neck

But some still wanna holla,
Pop-pop they collar
Fuck-fuck-fuck-fucking with me

I hear you talking motherfucker write the check
And if you in the house then protect your neck

Fuck-fuck-fuck-fucking with me

Oh no !

But some still wanna holla,
Pop-pop they collar
Fuck-fuck-fuck-fucking with me

I hear you talking motherfucker write the check
And if you in the house then protect your neck

Fuck-fuck-fuck-fucking with me

You knew we was coming back
But you ain't know we was coming back like this

Oh no !

Oh no !
