Right through your fucking head  
In your fucking head (x??)

May I remind you  
In this archdiocese  
God don't run the bingo

You pressure me to fear for my life  
And I will put a fucking bullet in your head  
As if you were anybody else

Fucking head (x??)

Right through your fucking head  
In your fucking head (x??)

When I tell you to dump a body in the marsh  
You dump him in the marsh  
Not where some guy from John Hancock goes every  
thursday to get a fucking blowjob!

Right through your fucking head  
In your fucking head (x??)
