I got a mad mans kind a frustration  
Just another product of the anger in the nation.

Listen I'm confessing  
Every day I learn a lesson  
But I'm still breathing  
God that's my blessing  
So one for the trouble never losing kind  
Lets get it on  
Let me blow your mind!

Ain't it strange how things change  
When they take you from the ground  
And put you in the fast lane  
But I never knew a shiny happy home  
So I be just fine going to my terrordome

I got a mad mans kind a frustration  
Just another product of the anger in the nation.

1 for the trouble, 2 for hard times.

People get ready sun for the shiny times

Listen I'm confessing  
Every day I learn a lesson  
But I'm still breathing  
God that's my blessing  
So one for the trouble never losing kind  
Lets get it on  
Let me blow your mind!
