Boy I don't wanna hook you  
I don't wanna learn to hate  
I don't wanna masturbate  
I just wanna roller skate  
I just wanna roller skate  
I just wanna roller skate  
And I don't wanna clean the sink  
I don't wanna see another shrink  
I wanna hang out with Joleen Miller I think  
At the roller rink  
At the roller rink  
And I don't wanna have to work  
I don't wanna see them smirk  
I don't wanna wear a skirt  
I don't wanna be a flirt

I don't wanna pay the rent  
I want back all the money I spent  
I wanna know where the hell it went  
I don't wanna clean the sink  
I don't wanna see another shrink  
I wanna hang out with Joleen Miller I think  
At the roller rink  
At the roller rink

Someday maybe I'll wait for you  
Even though you've said we're through  
And if you learn how to do it too  
Our dreams become true
