Grunting away, Oh! My dear pig.

You are so pink, it hurts Barbie dolls.

Grunting away, Oh! My dear pig.

You are yummy and make great meatballs.

Oh! My dear pig.

I love your nose so much, you make me want to cry.

Grunting away, Oh! My dear pig.

I love you so, I want to come and live in your pigsty.

Grunting away, Oh! My dear pig.

Lying around you've gone plump

You stick your nose in the garbage dump

Your beady eyes search for hay,

Eating it will make you happy and gay

Grunting away, Oh! My dear pig.

Oh I love your curly tail,

It always impresses

Piglettes without fail

Grunting away, Oh! My dear pig.

Very soon your girlfriend is gonna give birth.

They'll be the cutest on this earth

Grunting away, Oh! My dear pig.

Now we'll leave you to your kids,

XOXO Hugs and a kiss.

Grunting away, Oh! My Dear Pig.
