I'm the terminator

Drum drum like in Lebanon  
Hotter than in Pakistan

Pa-Pa-Pa-Pakistan

Get ready for the atomic bomb

Tell them bitches that Barby said this  
We got drum drums over here bigger than an A-bomb!

Going blocker motherfucker  
Got that big rocket launcher

Yeah!

Don't play with me

Get ready for the A-Bomb!

Drum drum like in Lebanon  
Hotter than in Pakistan

Italian little mobster  
Cause Mufasa couldn't stop a bitch  
Stop flyin on that choppa just to buy Balenciaga  
It's just me Mr. Miagi and the phantom of the opera  
Going blocker motherfucker  
Got that big rocket launcher

Drum drum like in Lebanon  
Hotter than in Pakistan

Going blocker motherfucker  
Got that big rocket launcher

Yeah
