She taking sexy pictures for me
Telling me that she horny
You know I can't wait to get there
Oh yeah
Love, you know I'm gon' come running
To get a taste of my honey
As soon as my schedule clears
Oh yeah
She be calling me on my phone
Telling me she need to see me now
I be like okay
Scotty could you beam me now
Right up to her bedroom
She be like damn I wish cause right now
"I'm laying down in the bed with no clothes on and the
candles lit"
Love, know you been anticipating
I don't mean to keep you waiting
Don't worry the time is near

Baby wait 'til I get my hands on you
All the crazy all the freaky things I'm gon' do
Anticipation, in my mind I'm already there
Oh yeah
Baby wait 'til I get my hands on you
All the crazy all the freaky things I'm gon' do
Anticipation, in my mind I'm already there
Yeah, yeah

I can see it's now effing up the whole house
Light them candles girl
We're going 'til they burn out
I know I know that's a lot of time for making love
I've missed a lot of time and I'm just tryna make it up
I can't wait to get to your body baby
Girl I think about it everyday, yeah
She be calling me on my phone
Telling me she wanna see me now
I be like okay
Give me one more week and I
Be on the first thing

First thing headed your way
Girl you just be ready when I'm standing at your
doorway

Baby wait 'til I get my hands on you
All the crazy all the freaky things I'm gon' do
Anticipation, in my mind I'm already there
Oh yeah
Baby wait 'til I get my hands on you
All the crazy all the freaky things I'm gon' do
Anticipation, in my mind I'm already there
Yeah, yeah

I can't wait to get to your body baby
Girl I think about it everyday, yeah
I can't wait to get to your body
Girl I think about it everyday, yeah
Baby wait 'til I get my hands on you
All the crazy all the freaky things I'm gon' do
Anticipation
