One morning as I rambled down by the seashore  
The wind it did whistle and the waters did roar  
I heard of fair dancer make a pitiful sound  
It sounded so lonesome in the waters around

I never will marry I'll be no man's wife  
I expect to live single all the days of my life  
The shells in the ocean shall be my death bed  
The fish in deep water swim over my head  
My love's gone and left me the one I adore  
He's gone where I never shall see her anymore  
She plunged her fair body in the waters so deep  
She closed her pretty blue eyes forever to sleep

I never will marry I'll be no man's wife...
