Heal me, my darling
Heal me, my darling
Oh, baby, let's make love tonight
Baby, my heart is like an oven
I need some lovin'
And baby, I can't hold much longer
It's getting stronger and stronger
And when I get that feeling
I want sexual healing
Sexual healing, oh baby
Makes me feel so fine
Helps to relieve my mind
Sexual healing is good for me
Sexual healing is something that's good for me
Whenever blue tear drops are falling
And my emotional stability is leaving me
There is something I can do
I can get on the telephone and call you up, baby
Darling, I know you'll be there to relieve me
The love you give to me will free me
If you don't know the things you're dealing
I can tell you, darling, that it's sexual healing
Get up, get up, get up, get up, let's make love tonight
Wake up, wake up, wake up, wake up, because you do
it right

Baby, I got sick this morning
A sea was storming inside of me
Baby I think I'm capsizing
The waves are rising and rising
And when I get that feeling
I want sexual healing
Sexual healing is good for me
Makes me feel so fine, it's such a rush
Helps to relieve my mind, and it's good for us
Sexual healing, it's good for me
Sexual healing is something that's good for me
Come take control, just grab a hold
Of my body and mind, and soon we'll be making it,
honey
You're my medicine, open up and let me in
Oh, darling, you're so great

I can't wait to operate
Let's make love tonight, because you do it right

Sexual healing, oh
Sexual healing, m-m
Makes me feel so fine
Helps to relieve my mind
Sexual healing
Sexual healing

Heal me, my darling,
Feel me, my darling,
