

Paradise Lost "Close Your Eyes"

For our Saviour could not deny
All born the same
All born the same
You won't hear the truth

I can feel it, close your eyes
I still see
You invent the proof

I can feel it, close your eyes
I still see
You won't hear the truth

Born a failure could not deny
All born the same
All born the same
You won't hear the truth

I can feel it, close your eyes
I still see
You invent the proof

I can feel it, close your eyes
I still see
You won't hear the truth

For our Saviour could not deny
You won't hear the truth

I can feel it, close your eyes
I still see
You invent the proof

I can feel it, close your eyes
I still see
You won't hear the truth
