It's in my heart, it's in your soul
You choose to judge, is that your role?
Don't analyze or complicate
You'll criticise, you can't relate

And now you want some understanding
What's my point of view?

Then I'll just fade away
(When I hear all your lies, I choke)
Then I'll just fade away
(Suffering from the times you spoke)
Then I'll just fade

Regarding more just seems much less
So cynical you must confess
I'm lying here, completely blind
Your will to live, just dampens mine

And now you want some understanding
What's my point of view?

Then I'll just fade away
(When I hear all your lies, I choke)
Then I'll just fade away
(Suffering from the times you spoke)
Then I'll just fade

Now you want some understanding
What's my point of view?

Then I'll just fade away
(When I hear all your lies, I choke)
Then I'll just fade away
(Suffering from the times you spoke)

Then I'll just fade away
(When I hear all your lies, I choke)
Then I'll just fade away
(Suffering from the times you spoke)

Then I'll just fade away

(When I hear all your lies, I choke)
Then I'll just fade away
(Suffering from the times you spoke)

Then I'll just fade away
(When I hear all your lies, I choke)
Then I'll just fade away
(Suffering from the times you spoke)
Then I'll just fade
