Lies divided me I wonder  
Cries enlighten me I wonder  
Light has guided me I'm stronger  
To escape to where dearly intended dwell  
Never seen the light, I don't know where to escape  
From that fear of impending hell  
Now I've seen the light, my soul laid bare

To forsake that fear of impending hell  
Life denying need my hunger  
Paralysing dreams I wander  
Life has binded me I'm stronger  
To escape from the tears of a last farewell  
The party's over you never could believe  
Now it's over you never would believe
