sit alone and celebrate good times of change  
sit alone anticipate great times of change

but their all washed away with laughter

as we wait to perish, turn to ashes  
things we've all gone through...

sit alone and celebrate good times of change  
sit alone annihilate all words of praise

when it all seems to spell disaster...

words of wisdom have no meaning  
in all honesty  
its just fiction, your religion  
no apology

there's no concealing the things that I do  
there's no concealing the things that I choose

sit alone and celebrate good times of change  
sit alone anticipate great times of change

but their all washed away with laughter

words of wisdom have no meaning  
in all honesty  
your religions contradiction  
but you cannot see

words of wisdom add frustration  
to our agony  
constant knowing, always showing  
endless sympathy
