Feared and loathed besides  
It's such a tragedy  
I've seen all others try  
It ends in misery

Could you stand back  
And take this all in  
Before it's too late?

Fragrant your remarks  
You offered sympathy  
Read between the lines?  
The dream is honesty

Now could you stand back  
And take this all in  
Before it's too late? Now

Could you stand back  
And set this soul free  
Before it's too late?

Dealt the losing hand  
No need for jealousy  
As our worlds collapse  
Who will the saviors be?

Could you stand back  
And take this all in  
Before it's too late? Now

Could you stand back  
And set this soul free  
Before it's too late?
