It's a struggle with a failures frown
And it erashes in front of me
I see the clouds divide
Will you stay or try to leave

The time you're looking at through the door
And think to walk right trough
I want to ignore
I only wish that it passes soon

Hearts beatingHearts beating 6x

I raise a sunken smile
As I serve only the ones who served
What can I achieve
As you steal the air I breathe

A cruel misfortune
Forbidding is to see
When stories may collide
It's a sad on state of mind

Hearts beatingFor the last time

Solo

Hearts beating for the last time
Hearts beating still a state of mind
Hearts beatingHearts beating
Hearts beating for the last time
Hearts beating the peace you cannot find
