

## Paradise Lost "No Celebration"

Take my hand,  
Hurray for the winters come  
Cease my plans  
Excuse me from the scenes of old  
I can meet you there? , I just don't care  
On this new years day  
With no celebration from me

Understand  
There's comfort with the wealth of gold  
Increase demands  
Release me from the scenes of old

I can't make it clear you just won't hear  
On this new years day  
There's no celebration from me

I could see you there? , we just don't care  
On this new years day  
Without hesitation  
There's no celebration from me
