

Paradise Lost "Perfect Mask"

I live behind the perfect mask
Erase the rule forever

I live behind the perfect mask
Unleash the truth forever

I live behind the perfect mask
Too late gonna live at last

I live behind the perfect mask
Too late gonna live at last

I live behind the perfect mask
Erase the truth forever
I live behind the perfect mask
Only the true endeavour

Help me. I dare say theres no other way
Help me. I dare say theres no other way to go

Wanton fallacy again
Merciless until the end
Recognise my heart is there
So reveal me and disgrace me
