Seasons of sun won't suffice
But for you, my guarding light
I'd walk around this earth

Although the streets are paved with gold
I'd collect it to be sold
I'm bringing this on myself

But I feel for you, but I feel for you
Will you show you're sane
Will you show you're sane
Will you show you're sane
Will you show you're sane
Will you show you're sane

In your mouth a loaded gun
Pull the trigger, have you won
Let's see how you can do

It's the darker days you dread
All the hurtful things I said
It seems I'm nothing

But I feel for you, but I feel for you
Will you show you're sane
Will you show you're sane
Will you show you're sane
Will you show you're sane
Will you show you're sane

Will you show you're sane
Will you show you're sane
Will you show you're sane
Will you show you're
