

Paradise Lost "Something Real"

Array of fortunate life
But could you live through the fight, no, you couldn't
All these years of sheltered emotion
And all these years I've seen no devotion from you

I could offer honesty
If everyday offered something real

Decay of fortune and might
But would you stand up and fight, no, you wouldn't
All these years without any notion
And all the years I've seen no devotion from you

I could offer honesty
If everyday offered something real
I could offer honesty
If everyday offered something real

I could offer honesty
If everyday offered something real
I could offer honesty
If everyday offered something real
