

Paradise Lost "Sway"

Expel at cost
I've looked for valuation
Return what's lost
I've thrived on agitation

I live in fear
Fear of my contradiction

Free my eyes of fire
Greed, my heart desires

Im free this way

No love is lost
No love of condescending
Who do I trust?
Trusting or just pretending
Maybe it's wrong.
Maybe I'm speculating
Free my eyes of fire
Greed, my heart desired

Im free this way

The path I cross
Is strewn with alterations
All at a loss
Bargain infatuation
Why did I try?
Cause it's so complicated

I free my eyes of fire
Greed, my heart desired

Im free this way
