Washed out your simple world
But it seems to reappear
Without your simple words
You cannot interfere

And now, it's so absurd
What you're sayin' to me now

Your world's pretending
You're sayin' to me now
Your world's pretending
You're sayin' to me now

Your world's pretending
You're sayin' to me now
Your world's pretending

And for your, so called friends
They always seemed so dear
But when it all got worse
They seemed to disappear

And now, it's so absurd
What you're sayin' to me now

Your world's pretending
You're sayin' to me now
Your world's pretending
You're sayin' to me now

Your world's pretending
You're sayin' to me now
Your world's pretending

And now, it's so absurd
What you're sayin' to me now

Your world's pretending
You're sayin' to me now
Your world's pretending
You're sayin' to me now

Your world's pretending
You're sayin' to me now
Your world's pretending
