See the hands that wave their last goodbye
Talk with friends of God sometimes
You'll see it's not that simple anymore somehow
Don't say it's not that simple anymore somehow

Save your weak demands for one who cares
No more can I fake this
You'll see it's not that simple anymore somehow
Don't say it's not that simple anymore somehow

Fear demands its say
It's where I've failed, it's sad to say
Faith will find a way
Accept the shames, a losing game

See the hands that wave their last goodbye
Talk with friends of God sometimes
You'll see it's not that simple anymore somehow
Don't say it's not that simple anymore somehow

Fear demands its say
It's where I've failed, it's sad to say
Faith will find a way
Accept the shames, a losing game

Fear demands its say
It's where I've failed, it's sad to say
Faith could find a way
Accept the shames, a losing game
