Pay the deadly price  
Lift the fallen prize  
Told you soon will die  
Sin that sails aight  
Carry ungodly crimes  
Travelling out of reach  
Taking the weight  
Of the night upon my back  
you cannot believe  
The pain that I've seen  
Crawling of life my fire is strong  
Can it be, I can't go on  
I'm hurt now, don't turn your back  
Changing ways, events prolong  
Hidden by the mist,  
Insinuate what's gone  
your hand in mine  
We'll reach the sign of plains above us  
Your hand in mine  
Unholy times of pain relentless  
Forced to watch not eagerly  
Breaking hearts  
With words and all ecstasy  
Your hand in mine  
Reveal all life, uphold the others  
Your hand in mine  
Are you alive, with flames of sadness
