What can I learn from you
In your lifetime, in what you've been through
How'd you keep your head up and hold your pride
In an insane world how'd you keep on tryin'
One life can tell the tale
That if you make the effort, you can not fail
By your life you tell me it can be done
By your life's the courage to carry on

(chorus:)

Heroes
Appear like a friend
To clear a path or light the flame
As time goes by you find you depend
On your heroes to show you the way

What can I learn from you
That I must do the thing I think I can not do
That you do what's right by your heart and soul
It's the imperfections that make us whole
One life can tell the tale
And if you make the effort you can not fail
By your life you tell me it can be done
By your life's the courage to carry on
