You'd better change the way you're living  
And if that ain't enough (Odeon) Ha ragione Jo ã  
meglio che ascolti  
You'd better change the way you straight your style  
'Cause nobody wants you when you're old and grey  
You'd better change your way today  
You'd better change your way (Tutte)  
(Katty) Mi stai sentendo Jo sto parlando con te

(Odeon) Devi piantarla di bere Jo  
(Katty) E con le anfetamine  
(Michelle) Devi smettere di andare a donne papã  
You'd better stop  
You'd better change (Tutte)  
You'd better stop and change your way today  
I said stop  
Change  
Stop  
Please (Katty)
