I wish you bluebirds in the spring, to give your heart a
song to sing,
And then a kiss, but more than this, I wish you love.
And if you like lemonade to cool you in some lazy
glade,
I wish you health, and more than wealth, I wish you
love.
My breaking heart and I agree that you and I could
never be,
So with my best, my very best, I set you free.

I wish you shelter from the storm, a cozy fire to keep
you warm,
Most of all, when snowflakes fall, I wish you love.

I wish you shelter from the storm, a cozy fire to keep
you warm,
Most of all, when snowflakes fall, hot time, I wish you
love.
All kinds of love, a whole gang of love.
