no, no, no please don't talk to me, I'd really like to be
alone, alone, alone, No, no, no please don't talk to me,
I'd really like to be alone, alone, alone, No, no, no I
don't know what should change, to make it a little
easier for me, no, no, no I don't know what should
change, to make it a little easier for me:

REFRAIN: u oo this is just a music maniac, u oo this is
just a music maniac, u oo this is just a music maniac, a
lunatic, a lunatic, a lunatic, a lunatic, a lunatic talking to
you.

when I'm down, don't ask me why, it's people, life, and
the pain of the world, just put on a record and give it a
try, it's music, the band and the joy of the world, yeah,
yeah, yeah I know now what should change, to make it
a place for you and me now.

REFRAIN:u oo this is just a music maniac, u oo this is
just a music maniac, u oo this is just a music maniac, a
lunatic, a lunatic, a lunatic, a lunatic, a lunatic, a lunatic
you would say.
