Loosing you... I cannot understand it all
Seeing you... I will not try to hide these tears
I will not try to fight them... no...
And y u walkd away... never evn sayin y
Never evn sayin y...
U didn't even try...
N I cannot understnd it all...

And where did I go wrong...
With u
N wat did I say...
N how come u dint evn turn to look

Wen I walked away...
Frustrations... rise... in u...
Don't evn want to try...
But I... oh I... oh I... cannot say goodbye...
