Chorus:

Wish you were here, me oh my countryman
Wish you were here
Wish you were here, don't you know the stove is getting
colder
And I miss you like hell
And I'm feeling blue

Chorus

I've got feelings for you babe
Do you still feel the same
From the first time I laid my eyes on you
I felt joy of living
I saw heaven in your eyes, in your eyes

Chorus

I miss your laugh, I miss your smile
I miss everything about you
Every seconds like a minute
Every minute's like a day
When you're far away

Wish you were here
The stove is getting colder babe
I wish you were here
Wish you were here
A battlefield of love and fear
And I wish you were here

I've got feelings for you babe
From the first time I laid my eyes on you

Chorus
