You don't satisfy me the way I know you should do  
You should have played the game to love me all the  
way  
You never listened to me I said you really had to  
So now I'll take my leave, I gotta get a train

I feel fine you know I'm strong  
Don't try to ask me back again  
Don't be concerned I'll get along  
So stand aside, you're blocking my way

Hey hey  
Bad love  
Never can't say goodbye  
I need somebody to love me  
Hey hey  
Mad love  
Maybe to dream this night  
I'm feelin' very ready someday

Don't disturb me, it's time that you should find out  
Don't call me back because I really have to leave  
(So) don't stand just there honey looking like it's my  
fault  
Your dream your life away you really should have seen
