Yeah, it's on for the 1-9-9-9  
Project Pat in this hoe  
Putting this ghetto bump in ya speaker  
Hypnotize done made it  
You know the business hoe

Breaking down some reefa  
Rolling up a sweeta  
Riding through the streeta  
Cheifing like heata  
Reefa got me nizzoid  
All because them blue boys  
Searching by the nickel  
Breath smell liquour  
Mane it's Project Pata  
Playa from the sizouth  
Always pack the gata  
Gold teeth in my mizouth  
Hustle for the cheatah  
Trying to make it betta  
You respect the man  
Or youse gets a bloody sweata  
Down wit' Paul and Juicy  
Hypnotize the label  
Hoe got get off my nutsack  
And let go my ankle  
Chopping up keya  
Riding on twentyas  
Don't you wanna be a  
Playa just like me a  
Hanging out wit' killas  
Creeping on a come up  
Like the ones before me  
Dog I'm trying to blow up  
I don't give a fizuck  
Mane I want that cizap  
From yo' baby mama  
North Memphis on the mizap

Chorus-All  
North Memphis, North Memphis...

Where dem killas hang  
North Memphis, North Memphis...  
Where they workin'-repeat til' fade
