(Chorus 4x)

That drank

That drank

That drank will make ya think, sizzerp

Sippin on some purple

I'ma call it urple

Leaning to the sizzide

Cool like a bercule

Weed got me ?

Eyes tight like girdle

Cruising through the hood slow, something like a turtle

Strapped with them triggas

Hanging hanging with my niggas

Everybody flossed out cause we stacking figgas

Hoes getting nothing but some of this nutting

Soft baby esaphagaus bitch you give me something

On this hydro coating

Or promythzzing

Sipping on the sizzerp

Sipping on this lizzing

Macking in my mizzah

I'm staying hizzigh

True to the shit I do and that's till I dizzie

Suckas wanna stizzep

I'ma keep it reazzal

Do watcha gotta do man to get a meazzal

Never was a hataa

I'ma stay ?

Sipping on this good drank dog everydaya

(Chorus 4x)

Per-per-percoscent, zynax I got the best deals

I love to get powered up off them x-pills

Something to get my swerve on cold dome dranker

Straight out the North Memphis, Tenn on them chrome

twenkas

Niggas that hate always end up with hot lead

I'm with them killas hanging out and we ain't scared

Just like my nigga down in Dallas man we already

Swinging in work drink that purple with that erky-jerk  
My grill is gold and I smile but ain't shit funny  
Like U.G.K. we be hustling for that dirty money  
We got them hoes that are pros shaking big booties  
Down with they man getting that dough doing thier  
damn duty  
I'm on this drank and this drank got me straight mellow  
Most niggas love purple cert I prefer yellow  
We been on this, on the town since the 70's  
Some trill players out the south is who we be's

(Chorus 4x)
