Our love was made with haste
That's why were calling it waste.
Give me a reason for me to understand
Your love didn't outstand... outstand!

My pocket is full of things to throw
But why is it I can't throw
Even just a single piece?
I can't recall calling you my foe
Coz in my heart you will always be my go! (will always
be my go)

And baby you should always know that...

Chrous:

It's a big deal, a big big deal to me.
You left me like I'm a true flop in one's show.
Why can't I give it a blow?(I cant)
Coz baby you always make me glow... oh yeah.

The time when you were here with me
It's like a shooting star, a dream come true
So don't you tell me it's noting(don't tell me baby)
Coz it's a big deal to me.

Butterflies in my tummy, they're all because of you
Your love for me is like a melted chocolate
You left me alone in the sun.
You said not a big deal, but baby you know
For me it is... yeahhhh

And baby you should always know that...

Chrous:

It's a big deal, a big big deal to me.
You left me like I'm a true flop in one's show.
Why can't I give it a blow?(I cant)
Coz baby you always make me glow... oh yeah.

The time when you were here with me

It's like a shooting star, a dream come true
So don't you tell me it's noting(don't tell me baby)
Coz it's a big deal to me.

One two three you left my heart insane.(you left my
heart insane)
Three two one, bad or good,
It could be rain or shineeee...

Still baby you should always know that...

Chrous:

It's a big deal, a big big deal to me.
You left me like I'm a true flop in one's show.
Why can't I give it a blow?(I cant)
Coz baby you always make me glow... oh yeah.

The time when you were here with me
It's like a shooting star, a dream come true
So don't you tell me it's noting(don't tell me baby)
Coz it's a big deal to me.

Ooooooh baby... it is a big deal!
