Like wild flowers  
Left alone  
By the side of the road  
Imperfect on the edge

Like wild flowers  
Left alone  
By the side of the road  
Imperfect on the edge

They stand in the wind and the rain  
None of you are left in the world  
They've learnt that this line  
Is unpredictable

Like wild flowers  
Left alone  
By the side of the road  
Imperfect on the edge

Like wild flowers  
Left alone  
By the side of the road  
Imperfect on the edge

Far away  
The moon falls into the sea

Like wild flowers  
Left alone  
By the side of the road  
Imperfect on the edge

Without knowing anything for certain  
This may be the last day  
So everything has more meaning  
So much more color this way

Far away  
The moon falls into the sea

Like wild flowers

Left alone  
By the side of the road  
Imperfect on the edge

Like wild flowers  
Left alone  
By the side of the road  
Imperfect on the edge
