"No Such Thing"

Visit "[No Such Thing](#)" on MotoLyrics.com

You tore my picture up
Right there in front of me
Said that you had to make
This point very clear to me
The winter's cold
But this feels just like ice
There's no such thing
As a pleasant goodbye
No explanation this is
Making no sense at all
Pick up your things and smash your fist
Straight through the wall
Talons tear
But your words are sharp as knives
There's no such thing
As a pleasant goodbye
There's no such thing
As a pleasant goodbye
There's no such thing
This is making no sense to me
There's no such thing
You tear my picture and set me free
There's no such thing
Oh no!
There's no such thing
I feel so helpless to watch you go
There's no such thing
I'm just so crazy to love you so
There's no such thing
Oh no!
Emptiness fills the room
A vacancy's left behind

I guess there's no way to
Persuade you to change your mind
I may seem calm
But inside me I could die
There's no such thing
As a pleasant goodbye
There's no such thing
As a pleasant goodbye
There's no such thing

As a pleasant... goodbye
There's no such thing
This is making no sense to me
There's no such thing
You tear my picture and set me free
There's no such thing
Oh no!
There's no such thing
I feel so helpless to watch you go
There's no such thing
I'm just so crazy to love you so
There's no such thing
Oh no!
There's no such thing
There's no such thing
There's no such thing
As a pleasant goodbye
There's no such thing
This is making no sense to me
There's no such thing
All I'm left with is a vacancy
There's no such thing
Wooo oo woo oo wo o
