(Steinhauer/Blaha)

"How the crusaders burnt the cathars as
punishment for their so called heretic beliefs..."

The final scene at the Bucher or the stake
Gonna build a tower to burn
Torch, a flaming brand, a pyric blazing scourge
Heretics Clad in flames die in silence

It is no doubt the right way
The perfect way to go
an end to this damn heresy
an end to this damn war

Crowds watch and wait the spectacle unfolds
Orgasmic in intensity their hate
Look, feel the power as flash begins to char
die now and speak your useless prayers

Yell for forgiveness
Grovel in your shame
You'll find that your protector
wont save you from the flames

Your vision of a brand new day
was ravaged by the war
Fire is your just reward
Ignomy your fate

Flames shall feed the fire

Flames shall purify
The church of Rome has issued this decree
Flames destroy the works
Flames destroy the liars
Fire destroy the heresy we fear

So, if you don't see it our way this is what
you get
War and flaming towers as reward
So renounce your tachings come back

into the fold
The choice you have peace or holy war

It is no doubt the right way
The perfect way to go
an end to this damn heresy
an end to this damn war

Burn if you desire
Burn this very day
we have a thousand torches to help you on
your way
Burn if you desire
Burn in silent rite
Your heretics beliefs could even save you all

Ahh!

Heresy was to blame
For lives lost in the fire
The holy church in shame
for it's part in the history of THE BURNING.
