I think it's time to realize
What you've done to me!
I sneak into your yard every single day.
I just want to see you.

Maybe I'm just a slow -
But when I see you I say: WHOA!

(Chorus)
I'm watching you every single day.
The innocence of childhood never dies.
I'm playing with you every single day.
The innocence of childhood never dies!

I don't know why I'm drawn to you.
And in my fantasies
Your house is my, my direction of life.
Oh, what's wrong with me?

Maybe I'm just a slow -
But when I see you I say: WHOA!

Chorus

Maybe I'm just a slow -
But when I see you I say: WHOA!

Chorus
