I used to believe in every words you said to me  
Or lies just came out  
Like the air that you are breathing.  
All your pain's just burning  
And all your words I'm falling  
Here by this book.  
The past is gone, I tell right now.  
I'm waiting for your eyes to open  
I'm hating cause I'm still not knowing  
I'm praying cause you'll never find your  
Way back home.  
This night could be  
So much more,  
I take this ashes and burn the whole,  
I burn it down.  
Every night I still can't find  
Through words I wrote  
And I bury it out in the back of my mind  
Cause I forgot about us.

I've seen your pictures down here  
I've burn your memories,  
There's nothing left for you.  
There's nothing here to take from this.  
All the words you've spoken  
They're empty, cold and I wrote pices of you  
The past is gone, I tell right now.  
I'm waiting for your eyes to open  
I'm hating cause I'm still not knowing  
I'm praying cause you'll never find your  
Way back home.  
This night could be  
So much more,  
I take this ashes and burn the whole,  
I burn it down.  
Every night I still can't find  
Through words I wrote  
And I bury it out in the back of my mind  
Cause I forgot about us.  
I forget about us.

Oh oh oh ohoooh

Oh oh oh ohoooh  
Oh oh oh ohoooh  
Oh oh oh ohoooh  
Oh oh oh ohoooh  
Oh oh oh ohoooh  
Cause I forgot about us.

This night could be  
So much more,  
I take this ashes and burn the whole,  
I burn it down.  
Every night I still can't find  
Through words I wrote  
And I bury it out in the back of my mind.  
Cause I forgot about us.  
Did you forget about us.

Oh oh oh ohoooh  
Oh oh oh ohoooh  
Oh oh oh ohoooh  
Oh oh oh ohoooh  
Oh oh oh ohoooh  
Oh oh oh ohoooh  
Oh oh oh ohoooh
