Do you believe it's like this
Every feeling that I ever missed
For you can I just want more!
You're right and I'm wrong,
By all means, please don't leave
'Til I heal.
Don't let go, Just let go!
It all goes down
To the writing on the wall
Where the memory is.
Now can't you hear you fall?
So, don't let go
I'll be right here
Where memory is,
And I'll catch if you fall.

Why all town's still waiting
If I think I tremble
I can't believe you leave me
On high heels.
All I have is this life,
It never fades it to the black of the night
Never coming back this way.
Don't let go!
Don't let go, Just let go!
Don't let go!
Yeah, it all goes down
To the writing on the wall
Where the memory is.
Now can't you hear you fall?
So, don't let go
I'll be right here
Where memory is,
And I'll catch if you fall.

I'm left here, still fading
Your voice is the only thing I hear?
Can't see me, I'm broken
But I'm left here still hoping
Yeah, it all goes down
To the writing on the wall
Where the memory is.

Now can't you hear you fall?
So, don't let go
I'll be right here
Cause you know
I'll catch if you fall.
It all goes down
To the writing on the wall
And I'll catch if you fall.
So, don't let go
I'll be right here
Cause you know
I'll catch if you fall.
