The moon is full
My ashtree too
While I try to say goodbye
To my past my dreams
My hopes my life
Desperatly trying not to cry
My diary just turns to ashes
My money's burning still
Hear the last words
Of the ugly man
Whom I'm prepared to kill

I say goodbye

Goodbye to you
My absent friends
But the time was wrong
I'll leave you now
I'm going home
You know I'm not that strong
I sawed the chair
Underneath my feet
My head still in the noose
There's no more hope
No more tears
Nothing left to choose

I say goodbye

Please forgive me
Don't forget
The good times that we had
The times of dreams
The times of laughter
And the true words that I said
Now the time has come
I lost control
I spend my days in fear
So please forgive me
And read those words
That I left here

I say goodbye
