[Spice 1]

Blowe! Jah man, Spice 1 with the biggity biggity  
Banksta in

The house, jah man we making it funky enough man  
And me come like this!

Me busting a cap cause me the one

The 187 spot busting a cap cause me the one

Jah man! Come again now

Me busting a cap cause me the one

The 187 Posse busting a cap cause me the one, blowe  
blowe!

Jah man, pick up this gat and make you spray yourself,  
AK yourself

And that's for any motherfucker that wants to play  
yourself

187 up on that ass with the murder shit

I shank this pistol up your ass and hollar ""Dookie  
stick""

You ain't ??? the clip into that ass, G

Split personality so I mask me

And turn into the murderer

Me say me kicking the rasta shit, nigga I'm serving ya

Blowe blowe! And if you ever disrespect me I'm a bank  
ya

Slip this clip up in this glock and watch is stang ya

Cause niggas try to blast that ass

And with a big AK I can't run too fast, yeah

You see a nigga like a maniac, bitch with a gat

And comes crack, hey G hand me that

The murder felon with the big black trigger

And I still make change out of five dollar ass, nigga

You can try but it ain't that easy

To kill a motherfucking G

Me busting a cap cause me the one

The 187 spot busting a cap cause me the one

Jah man! Come again now

Me busting a cap cause me the one

The 187 Posse busting a cap cause me the one, blowe  
blowe!

[Too \$hort]

Now bitches love an old school nigga like me

Cause I got the pimp G-A-M-E  
Some niggas get jealous but they way too soft  
I had the whole house rock like the Haywood fall  
You know you gotta come real, you gotta come with it  
Get caught slipping and your ass gonna get it  
Life ain't nothing but a stage show bitch
