She's got that look in her eyes
She's got too much on her mind
She wants to relax, she says she thinks that it's time
I know, her fingers taste like home
But she said 'go'!

Oh, just shut up
It's not like that
She retracts like a brick wall
But I'm her cracks

Her eyes just popped like, lightbulbs, I know
We can turn this, we can turn this round

Her eyes just popped like, lightbulbs, I know
We can turn this, we can turn this round
But she won't try

She's got that blood in her eyes
She's got that blood on her thighs
She wants to react, but she can't cut her ties

I know, her fingers taste like bone
But she said 'no'!

Just shut up
It's not like that
She retracts like a brick wall
But I'm her cracks

Her eyes just popped like, lightbulbs, I know
We can turn this, we can turn this round

Her eyes just popped like, lightbulbs, I know
We can turn this, we can turn this round
But she won't try

She said, she said, she said
She said, she said, she said, she said

She said, she said. She said, she said
She said, she said. She said, she said
