You think by now I'd have learned my lesson  
I've always found my teachers depressing  
Before I know it she's on her knees  
And I'm on mine,  
Begging to stop this  
Please darling stop

Around here again  
But I don't think you asked for much

Ooooh  
Obviously cold, obviously cold  
Ooooooh  
Obviously cold, obviously cold

You get caught up in a situation  
Her lips squeezed tight she gives up conversation  
And what do you know it she's got to her knees  
Take off that dress and hand it to me  
Just take it off

You're on your back again  
But I don't think you're deep enough

Ooooooh  
Obviously cold, obviously cold  
Ooooooh  
Obviously cold, obviously cold  
Ooooh, Ooooh

Stop  
Don't stop  
Stop  
Don't stop  
Stop  
Don't stop  
Stop

Ooooh  
Obviously cold (stop)  
Obviously cold (don't stop)  
Ooooooh

Obviously cold (stop)  
Obviously cold (don't stop)
