As long as you love me,
As long as you love me,
As long as you love me.

We're under pressure,
Seven billion people in the world try to fit in,
Keep it together,
Smile on your face even know your heart is frowning.

But hey now,
You know girl,
We both know it's a cruel world,
But I will take my chances.

As long as you love me,
We could be starving,
We could be homeless,
We could be broke.

As long as you love me,
I'll be your platinum
I'll be your silver,
I'll be your gold.

As long as you love, love, love, love me,
As long as you love, love, love, love me.

I'll be your soldier,
Fighting every second of the day,
For your dreams girl,
I'll be your hova,
You can be my Destiny's Child,
On the scene girl.

Don't stress,
Don't cry,
We don't need no wings to fly,
Just take my hand.

As long as you love me,
We could be starving,
We could be homeless,

We could be broke.

As long as you love me,
I'll be your platinum,
I'll be your silver,
I'll be your gold.

As long as you love, love, love, love me,
As long as you love, love, love, love me.

Uh,

I can make you fly,
Give you some wings,
That's the product of a man,
And what true love can bring.

If we rich then,
We can see the finer side of dreams,
But if we broke then I don't care,
I'm good at fixing things.

And it don't matter if,
We gotta love each other,
Through the good and crazy.

You and me against the whole world,
And the fact of the matter is,
That's what that's what makes me,
Want you so much more than breath,
So where this next one take me,
Is right back to your arms where I know I'm save.

We can hold each other,
Til the end of the world comes crashing,
And we like a movie you direct me to a better end,
You like my inspiration,
Mo-mo motivation,
You stole my heart and I don't need replacing.

As long as you love me.

We could be starving,
We could be homeless,
We could be broke.

As long as you love me,
I'll be your platinum,
I'll be your silver,
I'll be your gold.

As long as you love, love, love, love me,
As long as you love, love, love, love me,
As long as you love, love, love, love me,
As long as you love, love, love, love me,
As long as you love, love, love, love me.

As long as you love me.
I'll be your silver,
I'll be your gold.
