Feelin' like I got a front row seat to watch everybody
Be happy
Can't even paint a smile on my face, it's so hard to
Not complain
Gotta try not to say
O God, what about me
'Cause I know that's not the way that I'm supposed to
Be

Get me outta my mind and into Your heart
It's not about me, it's not about me
So I'm gonna start playin' my part in Your design
Now is the time
Get me outta my mind
Outta my mind

There's a bigger picture on display and it's starting
To come in focus
Causing me to see to see the ones in need outside my
Little world
Gotta try, just to say
O God, what can I do
Doesn't matter what it takes, I wanna lead them all to

You

Get me outta my mind and into Your heart
It's not about me, it's not about me
So I'm gonna start playin' my part in Your design
Now is the time
Get me outta my mind
Outta my mind

If anybody asks me what have I been up to
This is what I'm gonna say
I've been spending my time, outta my mind
And I'm really lovin' livin' this way
[X2]

Get me outta my mind and into Your heart
It's not about me, it's not about me
So I'm gonna start playin' my part in Your design

Now is the time
Get me outta my mind
Get me outta my mind
So I'm gonna start playin' my part in Your design
Now is the time
Get me outta my mind
Outta my mind
