1 2 fuck you

fuck the million dollar movies with nothing to say
fuck the sixties fuck Oliver Stone
Fuck Rambo and Sylvester Stallone
Fuck Jane Fonda and Shirley Maclaine
wisdh they were fucking John Wayne
Fuck Captain Stubbing and fuck Tattoo
and if you don't like this song then, fuck you!

Fuck Fuck hollywood! (x3)

Fuck Sonny Bono and buttfuck Cher
Someone hit Geraldo with another chair
Fuck Micheal Jackson and Child Molesters
fuck Rock Hudson and Schwarzenegger
fuck the actors at the presidential ball
fuck Oparah and Arsenio Hall
Beat up the beach boys those stupid pricks
singing about women when they're sucking dick!

fuck fuck hollywood! (x3)

fuck hollywood, warped sense of reality
Where the truth is always the first casualty
fuck the causes and the coalitions
the exercise they get is jumping to conclusions
fuck the sex and fuck the smut
fuck the guys who take it up the butt
fuck hollywood 'cause they make me sick
it's like sticking my head in a bucket of shit
