Freedom!

Bring it home!  
Make your body, check!

Uh nanana hey  
Uh nanana hey  
Uh nanana hey  
Do nanana hey

Freedom!

Now it's happiness  
It's happiness  
It's happiness  
Express your freedom!  
Now it's happiness  
It's happiness  
It's happiness  
Express your freedom baby!

Music music  
Give me the music  
Music music  
Give me the music

Bring it home!  
Make your body, check!

Uh nanana hey  
Uh nanana hey  
Uh nanana hey  
Do nanana hey

Freedom!
