Party hardy, move your body
Party hardy, move your body

Pada papa, pada papapa
Pada papa, pada papapa
Pada papa, pada papapa
Pada papa papapa

Move on, move on, move your body
Move on, move on, take it easy
Move on, move on, move your body
Move on, move on, take it easy
Move to the rhythm, it's here to stay

You'll just max and relax
You'll just max and relax
Love & satisfaction's guaranteed
You'll just max and relax
You'll just max and relax
Cause love & satisfaction's what you need

You've gotta say what you wanna say
Don't want you back in the same old way
You turned around & you walked away
Ain't gonna make, not the same mistake

Move on, move on, move your body
Move on, move on, take it easy
Move to the rhythm, it's here to stay
Come on, come on, show me baby
Come on, come on, drive me crazy
Come on your time is my hitparade

So here we, we go, it's show time
It's time to get mine, to check out the rhyme
I've written for you, so you can get into
You'll just max and relax
To party hardy & move your body
On the dancefloor, so I can give more
Love & satisfaction's guaranteed
Cause love & satisfaction's what you need

Pada papa, pada papapa
Pada papa, pada papapa
Pada papa, pada papapa
Pada papa papapa
